Common Provisions Applicable to Rate I, Rate II, and Rate III

Customer Meter Reading

A residential Customer billed on these rates may read the meter on June 1 and September 30 and provide the reading to the Company for the preparation of an actual, rather than a prorated bill. The Customer's reading must be received by the Company not later than the next scheduled meter reading date as shown on the bill.

Common Provisions Applicable to Rate IV

Billable Demand

For each day in a billing cycle, the maximum daily demand shall be calculated for each time period applicable to that day. The Billable Demands shall be determined by calculating the average of the three highest maximum daily demands occurring in each time period for the applicable billing period. All maximum daily demand values shall be established by calculating the highest integrated 60-minute demand ending in each day and being entirely comprised of intervals ending in the same time period (on-peak, off-peak).

Holidays

For the purposes of this Rate, days classified as holidays include New Year's Day (January 1), Memorial Day (the last Monday in May), Independence Day (July 4), Labor Day (the first Monday in September), Thanksgiving Day (the fourth Thursday in November), and Christmas Day (December 25).

Metering

Any Customer taking service under this Rate must have an AMI meter and the applicable Company communications equipment must be operational. If a Customer wishing to take service under this Rate does not have an AMI meter, the Company, at its discretion, may provide such service if operational communications equipment is available. The Customer may be required to reimburse the Company for any incremental costs associated with providing such service. Customers taking service under this Rate will not be able to participate in the AMR/AMI Meter Opt-out as described in General Rule 6.10.

Common Provisions Applicable to all Rates

Supply Charges

Full Service Customers are subject to the supply and supply-related charges and adjustments specified in General Rule 25. Rider M may apply, as specified under that Rider. Retail Access Customers are not subject to General Rule 25 or Rider M.

Increase in Rates and Charges

The rates and charges under this Service Classification, including the Customer Charge, Additional Delivery Charges and Adjustments, and Supply and Supply-related Charges and Adjustments if applicable, are increased by the applicable percentage as explained in General Rule 30 and shown on the related Statement.

General Rules

For general rules, regulations, terms and conditions under which service will be supplied, see General Rules to this Rate Schedule. Riders that may be applied to this Service Classification are specified under General Rule 24.

Terms of Payment

Net cash on presentation of bill, subject to late payment charge in accordance with provisions of General Rule 12.1.

Applications for Service

For forms of application under this Service Classification, see the Application Forms section of the General Rules.

Term

30 days from the date of installation of service hereunder; terminable thereafter by the Customer upon 5 days' prior notice, and by the Company in accordance with law or the provisions of this Rate Schedule.

Special Provisions

(A) The Company's electric service under this Service Classification will be metered and furnished directly to a Customer of the Company for the Customer's own use upon the individual application of such Customer. The Customer may not remeter (or submeter), resell, assign or dispose of the electric service to any tenant or occupant of the premises except as provided herein. Service under this Service Classification is available:

To any single-family dwelling or building or to any individual flat or apartment in a multiple-family dwelling or building or portion thereof occupied as the home, residence or sleeping place of the Customer or an employee of the Customer, including also the following:

(1) Electric service used for portions of, or equipment in, a two or three-family dwelling or building enjoyed in common by all the residents thereof (for example, halls, stairs, cellar, oil burner, and similar conveniences), when the wiring is arranged for supply of service through a single meter of one of the flats or apartments, provided, however, that on or after October 24, 1991, or at the expiration of a lease or rental agreement for the flat or apartment entered into on or before October 24, 1991, whichever is later, service will be furnished under this Service Classification only when the wiring is arranged for the supply of service through the owner's flat or apartment in the building or dwelling.

(2) Electric service used for structures or equipment accessory to a one, two or three-family dwelling or building (for example, a private garage, an electric vehicle charger, guest or service house, outdoor lighting or equipment, and similar improvements), when the accessory structures are located on the same premises as such dwelling or building, and the wiring is arranged for supply of service through a single meter of the dwelling or one of the flats or apartments, provided, however, that where a shared meter condition exists on or after October 24, 1991, or at the expiration of a lease or rental agreement for the dwelling, flat or apartment entered into on or before October 24, 1991, whichever is later, service will be furnished under this Service Classification only when the wiring is arranged for the supply of service through the owner's flat or apartment in the building or dwelling or the owner is the occupant and Customer of record for the one-family dwelling or building.

(3) Electric service used for furnished rooms rented by the Customer or table board supplied to occupants thereof, when such renting or board is incidental to the residential occupancy by the Customer of a dwelling, flat or apartment and the number of rooms rented or offered for rent does not exceed one-half of the number of rooms in the dwelling, flat or apartment and the number of boarders, roomers or lodgers does not exceed four.

Special Provisions - Continued

(A) - Continued

To any corporation or association organized and conducted in good faith for religious purposes, where such electric service is utilized exclusively in connection with such religious purposes.

To a community residence that is a supportive living facility, as defined in subsections 28 and 28-b of section 1.03 of the Mental Hygiene Law, provided, however, that such facility is operated by a not-for-profit corporation and does not provide staff on a twenty-four hour per day basis.

To a community residence that is a supervised living facility, as defined in subsections twenty-eight and twenty-eight-a of section 1.03 of the Mental Hygiene Law, provided that such residence is operated by a not-for-profit corporation, has supervisory staff on site on a twenty-four hour per day basis, and the residence provides living accommodations for fourteen or fewer residents.

To any post or hall owned or leased by a not-for-profit corporation that is a veterans' organization, where such electric service is utilized exclusively in connection with such veterans' organization.

Beginning May 18, 2007, to the landlord of an occupied apartment in a multiple-dwelling that has converted from rent inclusion to direct metering pursuant to an order from the New York State Division of Housing and Community Renewal ("DHCR"), if:

(1) the DHCR order exempts the tenant from direct metering because of a Rent Increase Exemption, and

(2) the landlord:

(a) enrolls the tenant as a third-party under the Company's Third Party Notification Program, to ensure that the tenant receives notice if the Company intends to terminate service to the account for non-payment,
(b) agrees to request closure of the account only if the tenant is deceased, has vacated the premises, or has had its rent increase exemption revoked, or if the exemption does not apply to any other occupant of the premises, and
(c) consents to the transfer of any unpaid balance to the landlord's public light and power account for the premises if the account is closed or terminated for non-payment.

Special Provisions – Continued

(B) Electric service will not be furnished under this Service Classification, and it is not available for residential premises and uses or community residences and uses:

(1) Except as defined under Special Provision (A) above.

(2) Where any part of a building, house, flat or apartment, occupied as a home, residence or sleeping place by the Customer or an employee of the Customer, other than as provided under Special Provision (A) above, is also used for the conduct of business or any activity non-residential in character, unless the wiring is separate and the part devoted to such non-residential purposes is metered separately and billed under another and appropriate Service Classification, provided however, that incidental non-residential activities conducted by occupants of the residence that meet all the following conditions shall not preclude service from being furnished under this Service Classification:

(a) the non-residential activity does not change the character or outward appearance of the residence;
(b) the non-residential activity is performed solely by occupants of the residence; and
(c) the non-residential activities do not require use of more than 25 percent of the floor space of the residence and, in a multi-room residence, no more than one room is reserved for the non-residential activities.

(3) For multiple-family dwellings or buildings (such as residential hotels and furnished apartments), other than as provided under Special Provision (A) above, where the business of renting rooms, either with or without meals or service, is carried on, except where the electric service is rendered by the Company directly to the resident-tenant.

(4) For multiple-family dwelling or building hall lighting, pumping, central refrigeration, water-heating or elevator operation, other than as provided under Special Provision (A) above.

(D) [RESERVED FOR FUTURE USE]

(E) A Customer who takes service under Rate III of this Service Classification for their premises and registers a Plug-in Electric Vehicle ("PEV") with the Company will receive a price guarantee for a period of one year commencing with the first full billing cycle after the Customer registers the PEV with the Company. Under the price guarantee, the Customer will receive a credit following the one-year period for the difference, if any, between what the Customer paid and what the Customer would have paid under Rate I rates over that one-year period. The comparison (inclusive of the Increase in Rates and Charges) will be made on a total bill basis for Full Service Customers and on a delivery-only basis for Retail Access Customers.

(F) A Customer who has an SC 1 account or a residential tenant or occupant in a building served under another SC may take service under a separate account, billed under Rate III of this Service Classification, for the sole purpose of charging a PEV; provided, however, that such Customer will not be eligible for the Rate III price guarantee described in Special Provision E. Customers taking service under this Special Provision must annually register their PEVs with the Company.

(G) [RESERVED FOR FUTURE USE]

SERVICE CLASSIFICATION NO. 1 – Continued
RESIDENTIAL AND RELIGIOUS

Special Provisions – Continued

(H) A Customer who takes service under Rate III of this Service Classification for the first time during the term of the rate plan in Case 25-E-0072 may receive a price guarantee for one year. A Customer who takes service under Rate IV of this Service Classification for the first time between August 1, 2023 and December 31, 2028 may receive a price guarantee for one year.

The price guarantee is limited to new or existing Customers operating air source heat pumps or ground source heat pumps.

Under the price guarantee, the Customer will receive a credit following the first twelve-month period of billing under Rate III or IV for the difference, if any, between what the Customer paid in excess and what the Customer would have paid under Rate I rates. The comparison (inclusive of the Increase in Rates and Charges) will be made on a total bill basis for Full Service Customers and on a delivery-only basis for Retail Access Customers. Customers that leave Rate III or IV prior to the conclusion of the first twelve-month period will receive a credit, if applicable, based on the period during which they took service under Rate III or IV.

(I) In accordance with the Commission's Order Approving Temporary Emergency Financial Relief for Electric Low-Income Bill Discount Program Customers, issued June 11, 2020, in Case 20-M-0231 ("Order"), Emergency Summer Cooling Credits will be provided to Customers active in the Company's Low Income Program under Rider S as of June 11, July 10, August 10, and September 10, 2020. The Emergency Summer Cooling Credits will be determined based on the total credit amounts specified in the Order for each period defined below divided by the number of Customers active in the Low Income Program as of the dates above. The Emergency Summer Cooling Credit shall not exceed $40, inclusive of Increase in Rates and Charges and sales tax, per Customer for each period.

For each period, an eligible Customer will receive a credit to their account. For Customers active in the program on June 11, 2020, the credit will be applied to the Customer's account to appear on their bill scheduled to be issued from June 16 through July 15, 2020. For Customers active in the program on July 10, 2020, the credit will be applied to the Customer's account to appear on their bill scheduled to be issued from July 16 through August 13, 2020. For Customers active in the program on August 10, 2020, the credit will be applied to the Customer's account to appear on their bill scheduled to be issued from August 14 through September 14, 2020. For Customers active in the program on September 10, 2020, the credit will be applied to the Customer's account to appear on their bill scheduled to be issued from September 15 through October 14, 2020. Should a Customer's bill not be rendered on the scheduled billing date, the credit will appear on the Customer's bill when it is rendered, with no impact to the credit the Customer will receive pursuant to this program. The Emergency Summer Cooling Credit will not be prorated.

The Company will file the Statement of Emergency Summer Cooling Credit, apart from this Rate Schedule, showing the Emergency Summer Cooling Credit for each period. The Company will file such Statement with the Public Service Commission on not less than one business day's notice prior to the effective date.
